

It's why we're here.

Innovation is in our blood, research fills our hearts, and breakthrough product designs are in our soul. To us, we're not just a company trying to help provide great sexual health and well-being products; we're actually "turned on" by it. It's in the atmosphere of the company.

In fact, it's one of the best motivators there is. For us, we see how sexy all these things are because they ultimately result in our incredible products, partnerships, and promotions. You see, it's not just what we make, it's all that goes into it. And that is something that everyone at Lovehoney Group feels incredibly passionate about.

Fifty Shades of Grey®

THE OFFICIAL
PLEASURE COLLECTION
Approved by E L James

The Fifty Shades of Grey line offers a wide range of products to satisfy every level of interest.

Inspired by the erotic literary phenomenon that introduced couples across the globe to the thrill of BDSM and sensual pleasure—selling over 150 million copies worldwide and spawning three highly successful movies—these carefully selected toys and bondage accessories have been a global success since they first hit the shelves in 2012.

With the recent release of *Freed: Fifty Shades Freed as Told by Christian*, the Red Room continues to inspire and excite consumers around the world. On social media alone, the followers number in the millions, and products from The Official Pleasure Collection still make regular appearances in publications ranging from Glamour to Cosmopolitan to The New York Times. Invite your customers to play like Christian and Ana with Fifty Shades of Grey The Official Pleasure Collection from Lovehoney.

Fifty Shades of Grey offers product collections that embody the different stages of seduction, and adventure that Ana and Christian explore together and are designed at their core, to let couples play together and discover their own hard limits.

BONDAGE COLLECTION

“I pull fruitlessly against my restraints as sharp pleasure spikes from my nipples to my groin. I try to squirm but I can hardly move, and it makes the torture all the more intense.”

Anastasia Steele, *Fifty Shades Freed*

Fifty Shades of Grey has changed the way bondage is perceived around the world. It's given couples permission to explore and experiment, and has opened up the conversation about bondage and the pleasure it can bring to consenting couples.

This new collection for bondage features vegan leather, a trend that we are seeing across the world. We've worked closely with our factory to source a realistic leather look and feel, so that the quality and design of the product is in no way compromised.

“OMG wow wow wow! Took a little while to get into the flow [with the Greedy Girl G-Spot Vibrator] as I had people in the other rooms of the house but I turned up the music and started to relax. After a while I got to grips with the different settings and once I turned on the shaft vibration it took about twenty seconds to climax! It's quiet enough if you play some music but not if the room is silent.”
